Genre: Adventure, Casual

Developer:

VisualArts/Key

Publisher:

Sekai Project

Release Date: 31 Mar, 2017

a09c17d780

English

clannad anthology manga pdf. clannad anthology manga

Nice little bonus set of comics for hardcore fans, all written and drawn by fan artists. While not canon, each comic does a good job of capturing the CLANNAD 'feel' while also injecting a bit of unique flare into the characters and art design.. Thanks for releasing more Clannad content ;)
